## Announcement

### Young Researcher Award

---

The Italian Society for the Study of Headaches has established an award for young members of the Society which will be presented at the 37<sup>th</sup> National SISC Congress, L'Aquila, 5-7 October 2023.

The award consists in membership to the International Headache Society for 3 years plus, registration at the next IHC or EHC at discretion of the awardee, and of an award certificate.

#### **Purpose**

The Young Researcher Award is presented to the best original paper in the field of headache published in a peer-reviewed scientific journal.

#### **Eligibility**

- Applicants must be under 40 years of age, members of the Italian Society for the Study of Headaches and registered at the 37<sup>th</sup> National SISC Congress.
- A copy of a valid ID indicating the date of birth is to be submitted along with the CV.
- Applicants must be either the first author or last author.
- Full-length original research paper dealing with any form of headache and published in international peer-reviewed scientific journals from January 1<sup>st</sup>, 2022 until the issue date of this call.

The Awardee is required to present his/her paper at the National SISC Congress. Should the awardee not be able to attend the conference, the award will be given to the candidate that comes in second place.

#### **Applications must include:**

- A letter stating his/her interest in the competition, current position and affiliation of the candidate.
- Valid ID indicating the date of birth.
- File of the research paper.
- Deadline for receipt of applications: **July 1<sup>st</sup>, 2023.**

A Committee will review eligible papers and will make a final decision regarding the award by July 30<sup>th</sup>, 2023.

The application has to be submitted to: [sisc@sisc.it](mailto:sisc@sisc.it).
