deadline

**July 2017**

Late breaking abstract  
submission opens

### Sponsorship

The International Headache Society (IHS) is looking for key industry partners to participate in the conference as sponsors and exhibitors.

For more information and to view the prospectus visit the [conference website](#).

### Scientific Programme

The scientific programme runs from Thursday 7 September to Sunday 10 September and features advanced educational Teaching Courses, a uniquely Canadian opening ceremony, an IHC Special Lecture and a special session on the Classification. Friday 8 September promises to provide must-attend sessions including presentations on the vulnerability to migraine, the paradox of medication overuse headache, selected secondary headaches and trigeminal neuralgia. Saturday 9 September will be a busy day with multiple clinical and preclinical sessions targeting on migraine biomarkers, emerging therapies, neuromodulation, burden of disease and big data, and the Cephalalgia Award. Finally on Sunday 10 September the IHC 2017 Congress draws to a close with late breaking basic and clinical science, the sessions dedicated to headache in children and adolescents, the clinical and basic highlights of the meeting, complemented with the awards and closing ceremony.

### Join us in Vancouver!

Vancouver is located on the west coast of Canada in British Columbia and is one of Canada's largest and most densely populated cities. It boasts stunning views of the surrounding mountains. The city has access to an array of outdoor pursuits and also boasts thriving arts, music and museum scenes. There is never a shortage of activities to do in Vancouver. Recommendations include Stanley Park, Science World, Capilano Suspension Bridge and the VanDusen Botanical Garden.

For further recommendations on places to go and things to do whilst in Vancouver, please [click here](#).

Don't forget to book your accommodation for the Congress! By booking through the registration portal you can benefit from preferential rates at a range of hotels suitable for any budget. **To view available hotels, please [click here](#).**
